Custoza:

Place of Wines and History

Custoza, nestled in the morainic hills of Lake Garda, is perfect for slow tourism. Whether exploring by e-bike or car, visitors can delve into its rich history and enjoy scenic views. The area is known for its renowned cru vineyards, Ca del Magro and Sexaginta Bonomo, which offer a taste of the region's heritage.

In Custoza, each journey and taste tells a story, inviting you to savor the beauty and tranquility of this enchanting destination.

Wine and Art

Monte del Frà proudly hosts three temporary art collections throughout the year, alongside a permanent exhibition. This ambitious project, in partnership with the 6499 ART GALLERY in Milan, began in 2022 and continues to attract global visitors. Guests are invited to explore the cellar rooms adorned with sculptures and paintings, offering a unique cultural journey.

Entrance to the collections is free with a prior appointment. However, please note that the gallery is closed during wine tastings and on Sundays. For an extraordinary experience, wine dinners and private tastings are held in the art gallery room, creating an unparalleled blend of art and gastronomy.
